Developmental Disabilities Association

Successful inclusion occurs when individuals, educational settings and communities accept and include people with varying needs and their different cultures.

CHILD DEVELOPMENT SERVICES

- ➔ Provides quality inclusive Child Development Centres and Out of School Care programs in Vancouver and Richmond.
- ➔ Believes early intervention makes positive and important differences in the lives of children and their families.
- ➔ Ensures developmentally appropriate environments are staffed with caring and well-qualified early childhood educators and child & youth workers.
- ➔ Supports children and their families to develop understanding, acceptance and respect for diversity.
- ➔ Fosters partnerships with families, staff, community professionals and volunteers working together in the best interests of the child.
