

CHILD DEVELOPMENT SERVICES

- Provides quality inclusive child care at our Child Development Centres and Out of School Care programs in Vancouver and Richmond.
- Believes early intervention makes positive and important differences in the lives of children and their families.
- Ensures developmentally appropriate environments are staffed with caring and well-qualified early childhood educators and child & youth workers.
- Supports children and their families to develop understanding, acceptance and respect for diversity.
- Fosters partnerships with families, staff, community professionals and volunteers working together in the best interests of the child.

ENROLL AT OUR CHILD DEVELOPMENT CENTRES

Please call or email the Child Development Centre of your choice for availability and rates. For further questions about DDA's Child Development Services and our waitlist application, please visit our website at www.develop.bc.ca/programs/children-and-youth

Child and Youth Services of the Developmental Disabilities Association enhances the lives of individuals and their families through the provision of community based options and services.
